

Multi-Year Accessibility Plan (revised 02/2024)

This Multi-Year Accessibility Plan outlines **Windsor Salt Ltd.** and **Kissner Milling Company Ltd.** (individually and jointly, each the "**Company**") strategy to remove and prevent barriers and meet the requirements of the *Integrated Accessibility Standards Regulation* (the "Regulation") of the *Accessibility for Ontarians with Disabilities Act, 2005.*

Legislative Standard	Ontario Requirement		Activity	Deadline	Status
General Requirements					
Training	Train all employees on the requirements of the accessibility standards referred to in the Accessibility Standards for Customer Service (ASCS), the Integrated Accessibility Standards Regulation (IASR) and on the Human Rights Code as it pertains to people with disabilities.	•	Training developed and implemented on ASCS, IASR and Human Rights Code and delivered as an electronic learning module. New employees will be trained as part of their orientation. Tracking maintained to ensure training has been completed.	January 1, 2015	Completed
Information and Communications Standard					
Feedback	Develop process for receiving and responding to feedback that is accessible to people with disabilities.	•	Feedback process has been developed to enable multiple formats.	January 1, 2015	Completed
Accessible Formats and Communication Supports	Provide or arrange for accessible formats and communication supports for people with disabilities that take into account the person's accessibility needs, upon request.	•	Formats and supports identified as required.	January 1, 2016	Completed
	Public to be notified of availability of accessible formats and communication supports.	•	Online notice developed on the Company's website that accessible formats and communication supports are available and process to obtain them.	January 1, 2016	Completed
